Notes:

1. The Statement is annexed with the Notice in respect of Special Business (Item No. 3), as required under Section 102(1) of the Companies Act, 2013.
2. **Proxy/Authorized Representative**
 - (i) A member entitled to attend and vote at the Annual General Meeting (“AGM”) is entitled to appoint a proxy to attend and vote in the meeting instead of himself/herself and such proxy need not be a member of the company. The instrument appointing proxy (Proxy Form), in order to be effective must be deposited at the registered office of the company, not

less than forty-eight (48) hours before the commencement of the Annual General Meeting (“AGM”). Proxy Form is enclosed with the Notice. Members are requested to note that a person can act as proxy on behalf of the members not exceeding 50 (Fifty) and holding in aggregate not more than ten (10) percent of the total share capital of the Company carrying voting rights. However, a member holding more than ten (10) percent, of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as proxy for any other person or member.

A member would be entitled to inspect the proxies lodged at any time during the business hours of the Company, during the period beginning 24 hours before the time fixed for the commencement of the AGM and ending with the conclusion of the AGM, provided that not less than 3 days of notice in writing is to be given to the Company.

- (ii) Corporate Members intending to send their Authorized Representatives to attend the AGM are requested to send a certified copy of the Board Resolution to the Company, authorizing their representative to attend and vote on their behalf at the Meeting.
- (iii) Members/ Proxies/ Authorized Representatives should bring the duly filled Attendance Slip enclosed herewith to attend the meeting.
- (iv) In case of joint holders attending the AGM, only such joint holder who is higher in the order of names will be entitled to vote.
- (v) **With the aim of curbing fraud and manipulation risk in physical transfer of securities, SEBI has notified the SEBI (Listing Obligations and Disclosure Requirements) (Fourth Amendment) Regulations, 2018 on June 8, 2018 to permit transfer of listed securities only in the dematerialized form with a depository. In view of the above and the inherent benefits of holding shares in electronic form, we urge the shareholders holding shares in physical form to opt for dematerialization.**
- (vi) **As per SEBI Circular No. SEBI/HO/MIRSD/DOP1/CIR/2018/73 dated April 20, 2018, members holding shares in Physical forms are requested to submit their PAN details and Bank Details to the RTA of the Company.**
- (vii) Members who have not registered their email addresses so far, are requested to register their e-mail address for receiving all communication including Annual Report, Notices, Circulars etc. from the Company electronically

3. Book Closure

Register of Members and Share Transfer Books of the Company will remain closed from **September 23, 2021 to September 30, 2021** (both days inclusive) for the purpose of AGM.

4. Cut- off date:

- (i) This Notice is being sent to all the members whose name appears as on **September 3, 2021** in the register of members or beneficial owners as received from **M/s Skyline Financial Services Private Limited, the Registrar and Transfer Agent** of the Company.
- (ii) A person whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on **September 23, 2021** (the “**Cut-off Date**”) only shall be entitled to vote through Remote E-voting and at the AGM. The voting rights of Members shall be in proportion to their share of the paid-up equity share capital of the Company as on the Cut Off date.

5. Communication To Members

- (i) The Notice of the AGM along with the Attendance Slip and Proxy Form, and a copy of Annual Report are being sent by electronic mode to all members whose email addresses are registered with the Company/Depository Participant(s) unless a member has requested for a hard copy of the same and also to the Auditors and Directors of the Company.

- (ii) Abridged and full version of the annual report and notice of AGM will also be available on the website of the Company i.e. the web link of the above is <http://www.indiafinsec.com/investors-info/> and at the website of CDSL at www.evotingindia.com. Hard copies of the full annual reports will be sent to those shareholders who will request the same.
- (iii) All the documents referred to in the accompanying notice and Register of Directors and Key Managerial Personnel and their Shareholding are open for inspection at the registered office of the Company on all working days except Saturdays and Sunday, between 11.00 a.m. to 1.00 p.m. up to the date of Annual General Meeting.
- (iv) In case you have any query relating to the enclosed annual accounts you are requested to send the same to the Company Secretary at the Registered office of the Company or on E-mail Id “indiafinsec@gmail.com”, at least 10 days before the date of AGM so as to enable the management to keep the information ready.
- (v) Pursuant to Section 101 and Section 136 of the Companies Act, 2013 read with relevant Rules made thereunder, Companies can serve Annual Reports and other communications through electronic mode to those Members who have registered their e-mail address either with the Company or with the Depository. For Members who have not registered their e-mails address, physical copies are being sent by permitted mode.
- (vi) In order to implement the Green Initiatives of the Government, whereby Companies have now been allowed to send/serve notice(s)/document(s)/Annual Report(s) etc, to their members through electronic mode, your Company hereby requests all its members to register their email ID with the Registrar and Transfer Agent (in case of Physical holding) and with the Depository Participant (in case of Dematerialized holding), if not yet provided, to promote Green Initiative.

6. Voting By Members

The voting for the agenda items as mentioned in the Notice shall be done in the following manner:

- (i) Members may cast their votes through electronic means by using an electronic voting system from a place other than the venue of AGM (“**Remote E-voting**”) in the manner provided below during the e-voting period as mentioned below in Para 6(A)(I).
- (ii) At the venue of AGM, voting shall be done through ballot papers (“**Ballot Paper**”) and the members attending AGM who have not casted their vote by Remote E-voting shall be entitled to cast their vote through Ballot Paper.
- (iii) A Member may participate in the AGM even after exercising his right to vote through Remote E-voting but shall not be allowed to vote again at the venue of the AGM. If a Member casts votes through Remote E-voting and also at the AGM, then voting done through Remote E-voting shall prevail and voting done at the AGM shall be treated as invalid.

(A) Voting Through Electronic Means

In compliance with Section 108 of the Companies Act, 2013 read with Rule 20 of Companies (Management and Administration) Rules, 2014 and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide facility of Remote E-voting to all its Members, to enable them to cast their votes on all resolutions set forth in this Notice electronically and the business mentioned in the Notice may be transacted through e-voting. Remote E-voting is optional and not mandatory.

The Company has engaged the services of Central Depository Services (India) Limited (CDSL) for the purpose of providing Remote E-voting facility to all its Members.

(I) The instructions for shareholders voting electronically are as under:

- (i) The voting period begins on Monday, September 27, 2021 (10:00 a.m.) and ends on Wednesday, September 29, 2021 (05:00 p.m.). During this period shareholders’ of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of September 23, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders’ resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the Demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in Demat mode are allowed to vote through their Demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their Demat accounts in order to access e-Voting facility.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The COVID -19 pandemic

The global economy is recovering steadily from the COVID-19 pandemic, marked by the rollout of vaccination programs across nations, announcement of additional fiscal support in various economies and an improving capability to contain the re-emergence of further virus outbreaks. The only three preventives are masks, social distancing and vaccinations. Unfortunately the second wave began in early March 2021. During the lockdown that continued throughout the FY2020-21, India's GDP for June 2020 quarter contracted by a massive 24.4%. The fall in GDP continued in the second quarter as the GDP shrunk by 7.3%. Thereafter, we have seen a rebound, - thanks to the resilience of our citizens, our entrepreneurs and of our economy. To counter the crippling impact of the lockdowns on economies, the world's policymakers have resorted to fiscal and monetary measures never seen before in global economic history.

Indian Economy Overview

The Indian economy contracted by 8.0% in FY 2020-21 as against 4.0% growth recorded in FY 2019-20, marking a recession for the first time since 1980 as per the IMF World Economic Outlook in April 2021. Overall economic slowdown, led by the COVID-19 onset followed by stringent lockdowns severely impacted economic activity, bringing manufacturing and trading activities to a halt. Prolonged lockdown exacerbated existing vulnerabilities of the country including the weakened financial sector, private investments, and consumption demand.

The Government announced a special comprehensive package of Rs.20 trillion, equivalent to 10% of India's GDP under the 'Self-Reliant India' movement to revive the country's economic activity. To promote greater participation by FPIs (Foreign Portfolio Investment), the Government proposed to increase the investment limit for FPI to 15% (currently 9%) of the outstanding stock of corporate bonds. The Government also offered certain specified categories of investment in Government securities to be fully opened for NR (Non-Resident) investors.

As per the FY 2020-21 Budget, fiscal deficit is expected to be 3.8% of GDP in FY 2019-20 and 3.5% in FY 2020-21. This is higher than the 3.3% and 3% envisaged for FY 2019-20 and FY 2020-21, respectively, in the FY 2020-21 Budget.

The Reserve Bank of India (RBI) continued with the accommodative monetary stance by bringing the key repo rate and reverse repo rate to 4% and 3.35% respectively to provide monetary stimulus and trigger economic growth back to the earlier trajectory.

OUTLOOK

Despite a softer growth, the Indian economy remains one of the fastest growing economies in the world. The effects of external shocks such as rising global volatility, largely from financial volatility, externs from trade disputes, and investment rerouting was contained in part by India's strong macroeconomic fundamentals. The policy changes including amendments to the policy related to insolvency and bankruptcy, bank recapitalisation, and foreign direct investment further helped in coping with the de-growth. The growth trajectory is expected to resume with public policy support and private participation. Reform measures have been made by RBI to ease out liquidity in the markets and to encourage credit inflows via NBFC, HFC, MFIs.

POSSIBLE THREATS

Technology has been the most disruptive component in the broking industry. For brokerages to sustain in the business, adapting to changing realities and focusing on adding value to investors hold the key. Redundancy due to constant technological and digital advancement remains a threat to the broking industry. New market entrants always are breaking through established markets, coming up with more customer friendly solutions developed from the scratch and unencumbered by legacy systems. Customers always demand better services, seamless experiences regardless of channel, and more value for their money.

RISK & CONCERNS

Being a NBFC, India Finsec Limited is exposed to various types of risks like interest rate volatility, economic cycle, credit risk, market risk, operational risk and other external risk. Such risks are matter of concern for every NBFC. Many of the large corporate houses and banks have also diversified into lending and lending related businesses focusing into niche segments. However, with a rise in number of players, the competition in sector has intensified and impact of stiff competition in the market

needs to be observed NBFCs faces high competition from public sector, private sector and foreign banks competing in similar markets.

Due to Covid-19, the Banking Sector may not be hit directly but as they are at the forefront of public attention, the impact on other sectors has indirectly affected the banking & finance sector. Banks play an important role in smooth functioning of the economy and provide funding to corporate and individuals. Thus, stability of businesses and individuals is crucial for the banking industry. In this scenario, a global slowdown would affect small and mid-size companies more acutely. Business loans especially to these small and medium enterprises are at risk due to the forced shutdown.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

There are well-established procedures for Internal Controls for operations of the company. The finance & audit functions are well equipped with professionally experienced qualified personnel & play important roles in implementing the statutory obligations. The company has constituted Audit Committee for guidance and proper control of affairs of the company.

HUMAN RESOURCES

Human Resources are highly valued assets at **India Finsec Limited**. The company seeks to attract, retain and nurture technical & managerial talent across its operations and continues to create, sustain the environment that brings out the best in our people with emphasis on training, learning & development. It aims at career progression and fulfilling satisfactory needs. Performance is recognized and rewarded through up gradation & job enrichment, performance incentives.

The Company strongly believes that in a service industry like banking and finance, it is only through people and their contributions that most of the objectives like offering products to various customer groups and servicing the poor can be achieved. Your Company believes in spreading the risk, and financing of Loans, Inter Corporate Deposits, and Funding of IPO etc. The Management has a healthy relationship with the officers and the Employees.

SEGMENT-WISE PERFORMANCE

The Company is exclusively engaged in the Non-Banking Finance activities and revenues are mainly derived from this activity. The details with regard to segment performance of the Company are mentioned in the notes forming part of the Financial Statements

FINANCIAL PERFORMANCE AND OPERATIONAL PERFORMANCE

The Company is engaged primarily in the business of advancing loans and investing/trading in securities. We provide tailor-made services to our clients. During the Financial Year 2020-21, under consideration the performance of the Company was remarkable. The Company has recorded profit of Rs. 4,60,030/- for the year 2020-21 and the Total Revenue for the year ended March 31, 202 is Rs. 10,712,950/-. The Company is planning to increase its investment strategy for the growth of the business.

SIGNIFICANT CHANGES IN FINANCIAL RATIO

During the year following significant changes have been taken place in the financial ratios on a standalone basis and consolidated basis:

Standalone basis:-

Financial Ratio	Standalone		Change (%)	Reason for change
	FY 2020-21	FY 2019-20		
Inventory Turnover	2.23	3.18	29.87%	The Company's loan portfolio has been decreased due to investment in its subsidiary to support the principal business activities of its subsidiary which resulted in the decrease of financial ratios of the Company.
Interest Coverage Ratio	1.151	-4.24	127%	
Current Ratio	1.98	3.76	47.34%	
Return on Net Worth	0.101	-3.69%	102.71%

INDEPENDENT AUDITOR'S REPORT

To
The members of
INDIA FINSEC LIMITED

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **INDIA FINSEC LIMITED** ("the Company"), which comprise the balance sheet as at 31st March 2021, the statement of profit and loss, statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March, 2021, and the **net profit** (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described hereunder to be key audit matters to be communicated in our report.

Information other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and the auditor's report thereon.

Our opinion on the standalone financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the AS and the other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that are operating effectively for insuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain a reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise due to fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to

provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

- (ii) Obtain an understanding of the internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (v) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statement, individually or in aggregate, makes it probable that the economic decision of reasonable knowledgeable user of the financial statement may be influenced.

We consider quantitative materiality and qualitative factors in (i) Planning the scope of our audit work and in evaluating the results of our work; and, (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonable be thought to bear on our independence, and where applicable, relevant safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE - B TO THE AUDITOR'S REPORT

The Annexure referred to in Paragraph 3(f) under the heading of “Report on other Legal and Regulatory Requirements” of our report of even date to the members of **INDIA FINSEC LIMITED** for the year ended on 31st March 2021.

Report on the Internal Financial Controls under Clause (i) of Sub- section (3) of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of **INDIA FINSEC LIMITED** as on 31st March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for the Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of fraud and errors, the accuracy and completeness of accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the Guidance Note) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidences we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that: -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and the receipt and expenditures of the Company are being only in accordance with authorizations of management and directors of the Company; and

- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and could not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material aspects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on "the internal financial controls over financial reporting criteria considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India".

The financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Companies Act, 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015.

(b) Basis for preparation of standalone Ind AS financial statements:

The standalone Ind AS financial statements have been prepared under the historical cost basis which is generally based on the fair value of consideration given in exchange for goods and services. However, certain financial assets and financial liabilities are measured at fair value in compliance with IND-AS.

(c) Use of Estimates:

The preparation of Ind AS financial statements requires the management of the company to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of Ind AS financial statements, disclosure of contingent liabilities as at the date of the Ind AS financial statements, and the reported amounts of income and expenses during the reported period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised.

(d) Critical accounting estimates:

(i) Income Taxes:

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

(ii) Impairment of Investments:

The carrying value of investments is reviewed at cost annually, or more frequently whenever, there is indication for impairment. If the recoverable amount is less than the carrying amount, the impairment loss is accounted for.

(iii) Provisions:

Provisions are recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date adjusted to reflect the current best estimates.

(f) Property plant and equipment

Properties, Plant & equipment are stated at actual cost less accumulated depreciation and net of impairment. The actual cost capitalized includes material cost, freight, installation cost, duties and taxes, eligible borrowing costs and other incidental expenses incurred during the construction/installation stage.

The Company has chosen the cost model for recognition and this model is applied to all class of assets. After recognition as an asset, an item of PPE is carried at its cost less any accumulated depreciation and any accumulated impairment losses.

Depreciable amount of an asset is the cost of an asset less its estimated residual value.

Depreciation on Property, Plant and Equipment, including assets taken on lease, other than freehold land is charged based on Written down method on an estimated useful life as prescribed in Schedule II to the Companies Act, 2013. The useful life of asset taken into consideration as per Schedule II for the purpose of calculating depreciation is as follows: -

Particulars of property plant and equipment	Useful life (in years)
Furniture and fixture	10
Vehicles	8
Office equipment	5
Computer	3

An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment are determined as a difference between the sale proceeds and the carrying amount of the asset and is recognized in the profit and loss.

At the end of each reporting period, the Company reviews the carrying amounts of tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss.

(g) Intangible assets and amortisation therefore:

Intangible assets, representing software are initially recognised at cost and subsequently carried at cost less accumulated amortisation and accumulated impairment. The intangible assets are amortised using the written- down value method over a period of five years, which is the Management’s estimate of its useful life. The useful lives of intangible assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

(h) Revenue recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company & revenue is reliably measured.

(i) Interest Income: The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost. EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

(ii) Dividend: Dividend income from investments is recognised when the shareholders' right to receive payment has been established which is generally when the shareholders approve the dividend.

(iii) Other revenue from operations: The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 ‘Financial Instruments’ is applicable) based on a comprehensive assessment model as set out in Ind AS 115 ‘Revenue from contracts with customers’. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

(i) Financial Instruments:

(i) Financial Assets

Recognition and initial measurement: -

Financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument and are measured initially at fair value adjusted for transaction cost.

**Subsequent measurement: -**

Equity instrument and Mutual Fund: - All equity Instrument and mutual funds within scope of Ind-AS 109 are measured at fair value. Equity instrument and Mutual fund which are held for trading are classified as at fair value through profit & loss (FVTPL). For all other equity instruments, the Company decided to classify them as at fair value through other comprehensive income (FVTOCI).

Debt instrument: - A 'debt instrument' is measured at the amortised cost if both the following conditions are met. The assets are held within a business model whose objective is to hold assets for collecting contractual cash flows, and contractual terms of the assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

De- Recognition of financial Assets: -

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or Company has transferred its right to receive cash flow from the asset.

(ii) Financial Liabilities: -**Recognition and initial measurement: -**

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. Financial liabilities are classified at amortised cost.

Subsequent measurement: -

Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest rate method.

De-recognition of financial liabilities

Financial liabilities are derecognized when the obligation under the liabilities are discharged or cancelled or expires. Consequently, write back of unsettled credit balances is done on closure of the concerned project or earlier based on the previous experience of Management and actual facts of each case and recognized in other Operating Revenues.

Further when an existing Financial liability is replaced by another from the same lender on substantially different terms, or the terms of existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

(iii) Off setting of financial instrument: -

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on net basis, to realize the assets and settle the liabilities simultaneously.

(iv) Impairment of Financial Assets: -

Equity instruments, Debt Instruments and Mutual Fund: -In accordance with Ind-AS 109, the Company applies Expected Credit Loss model for measurement and recognition of impairment loss for financial assets. Expected Credit Loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive.

Other Financial Assets: - The Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

(v) Expected Credit Loss (ECL): -

Financial assets where no significant increase in credit risk has been observed are considered to be in 'Stage 1' and for which a 12-month ECL is recognised. Financial assets that are considered to have significant increase in credit risk are considered to be in 'Stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'Stage 3'. Lifetime ECL is recognised for the financial assets categorised under 'Stage 2' and 'Stage 3'.

At initial recognition, allowance (or provision in the case of loan commitments) is required for ECL towards default events that are possible in the next 12 months, or less, where the remaining life is less than 12 months. In the event of a significant increase in credit risk, allowance (or provision) is required for ECL towards all possible default events over the expected life of the financial instrument ('Lifetime ECL'). Financial assets (and the related impairment loss allowances) are written off in full, when there is no realistic prospect of recovery.

(j) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise of cash at bank and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts if they are considered an integral part of the Company's cash management.

(k) Taxations

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid/recovered from the tax authorities, based on estimated tax liability computed after taking credit for allowances and exemption in accordance with Income Tax Act, 1961.

Current and deferred tax are recognised in profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the income taxes are recognised in other comprehensive income or directly in equity, respectively.

Advance taxes and provisions for current income taxes are presented in the statement of financial position after off-setting advance tax paid and income tax provision.

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amounts.

Deferred income tax is recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of deferred income tax assets is reviewed at each reporting date. Deferred tax asset/liability is measured at the tax rates that are expected to be applied to the period when the asset is realized or the liability is settled.

Deferred tax assets include Minimum Alternative Tax (MAT) paid which is considered as an asset if there is probable evidence that the Company will pay normal income tax after the tax holiday period.

(l) Employee benefits

(i) Short-term employee benefits: -

Liabilities for short-term employee benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employee's services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Post-Employment Benefits: -

Defined Benefit Plans: -

The liability or asset recognized in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets.

The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in 'Employee Benefits Expense' in the Statement of Profit and Loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in Other Comprehensive Income. These are included in 'Retained Earnings' in the Statement of Changes in Equity.

(m) Earning Per Share

Basic earnings/ (loss) per share are calculated by dividing the net profit/ (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the period and also after the Balance Sheet date but before the date the Ind AS financial statements are approved by the Board of Directors.

For the purpose of calculating diluted earnings/ (loss) per share, the net profit/ (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

(n) Provision, Contingent Liabilities and Contingent Assets

A provision is recognised when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent Assets and Contingent Liabilities are not recognized in the Ind AS financial statements.

(o) Leases :

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases which replaces the existing lease standard, Ind AS 17 Leases and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees.

The Company has adopted Ind AS 116, effective annual reporting period beginning April 1, 2019 and applied the standard to its leases using the modified retrospective approach whereby a lessee applies the new standard from the beginning of the current period. The lessee calculates the lease asset and lease liability as at the beginning of the current period and recognized an adjustment in equity at the beginning of the current period. Accordingly, a lessee will not restate its prior period financial information under this approach.

The Company has elected not to apply the requirements of Ind AS 116 Leases to short term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognised as an expense on a straight-line basis over the lease term.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and

removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease liability is subsequently re-measured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and re-measuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments.

On application of Ind AS 116, the nature of expenses has changed from lease rent in previous periods to depreciation cost for the right-of-use asset, and finance cost for interest accrued on lease liability.

The members of
INDIA FINSEC LIMITED

Report on the Audit of Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **INDIA FINSEC LIMITED** ("hereinafter referred to as the Holding Company") and its subsidiary (Holding and subsidiary together referred to as "the Group"), which comprise the consolidated balance sheet as at 31st March 2021, the consolidated statement of profit and loss, the consolidated statement of changes in equity and the consolidated cash flow statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Company as at 31st March, 2021, and the consolidated **Net Profit** (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by ICAI, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described hereunder to be key audit matters to be communicated in our report.

We have obtained external confirmations from third parties in respect of transactions and closing balance for significant loans advanced by the company. <p>We tested all material entries recorded in connection with the loan advance and interest thereon to determine whether the accounting was appropriate.</p>

Information other than the Consolidated Financial Statements and Auditor’s Report thereon

The Holding Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexure to Board’s Report, Business Responsibility Report, Corporate Governance and Shareholder’s Information, but does not include the consolidated financial statements and the auditor’s report thereon.

Our opinion on the consolidated financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company’s Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (vi) Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- (vii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (viii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (ix) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- (x) Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statement, individually or in aggregate, makes it probable that the economic decision of reasonable knowledgeable user of the financial statement may be influenced.

We consider quantitative materiality and qualitative factors in (i) Planning the scope of our audit work and in evaluating the results of our work; and, (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of one subsidiary whose financial statements reflect total assets of Rs. 11,30,022.78 thousand as at 31st March, 2021, total revenues of Rs. 1,64,319.99 thousand and net cash flows amounting to Rs. 57,770.37 thousand for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report that:

- h. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

- i. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- j. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- k. In our opinion, the aforesaid consolidated financial statements comply with the accounting standards specified under Section 133 of the Act;
- l. On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2021 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company, none of the directors of the Group companies is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- m. With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in **Annexure A**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- n. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements have disclosed the impact, if any of pending litigations on the consolidated financial position of the Group in its consolidated financial statements (Refer to note no. 35 of the consolidated financial statements).
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary.

ANNEXURE-A TO THE INDEPENDENT AUDITOR'S REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

Report on the Internal Financial Controls under Clause (i) of Sub- section (3) of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statement of the Company as of and for the year ended 31st March 2021, we have audited the internal financial controls over financial reporting of **INDIA FINSEC LIMITED** (hereinafter referred to as “the Holding Company”) along with its subsidiary (the Holding Company and its subsidiaries together referred to as “the Group”) as on that date.

Management’s Responsibility for the Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by these entities considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of fraud and errors, the accuracy and completeness of accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on internal financial controls over financial reporting of the Holding Company and its subsidiaries based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the Guidance Note) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their report referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company and its subsidiary.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that: -

- (4) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (5) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and the receipt and expenditures of the Company are being only in accordance with authorizations of management and directors of the Company; and

- (6) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and could not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of information and according to explanation given to us and taking into consideration the reports of the other auditors referred to in the Other Matters paragraph below, the Group have maintained in all material aspects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on "the internal financial controls over financial reporting criteria considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India".

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to one subsidiary company, which is incorporated in India, is based on the corresponding report of the auditor of such company.

Notes to Financial Statements

1 Corporate Information

India Finsec Limited is a company incorporated on 10th day of August 1994. It is registered with Registrar of Companies, Delhi. The company is primarily engaged in the business of Non- Banking Finance Company in India. The company has Regn No./SEBI Listed Scrip code INE474O01010.

2 Significant Accounting Policies

(a) Statement of Compliances

The Consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Companies Act, 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015.

(b) Basis for preparation of consolidated financial statements:

The consolidated financial statements have been prepared under the historical cost basis which is generally based on the fair value of consideration given in exchange for goods and services. However certain financial assets and liabilities are measured at fair value in compliances with IND-AS.

(c) Principles of consolidation:

The consolidated financial statements comprise of the holding company India Finsec Limited and all its subsidiaries and associates in accordance with the requirements of Ind AS 110- Consolidated Financial Statements and Ind AS 28 – Investment in Associates and Joint Ventures (to the extent applicable). The consolidated financial statements have been prepared on the following bases: -

- (i) The financial statements of the holding Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, afterfully eliminating intra-group balances and intra-group transactions.
- (ii) Profits or losses resulting from intra-group transactions that are recognized in assets, such as Inventory and Property, Plant and Equipment, are eliminated in full.
- (iii) Goodwill represents the difference between the Company's share in the net worth of subsidiaries and the cost of acquisition at each point of time of making the investment in the subsidiaries.
- (iv) The financial statements of the associate/ subsidiary companies used in the consolidation are drawn upto the same reporting date as of the Company i.e. year ended March 31, 2021.
- (v) The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.
- (vi) The carrying amount of the parent's investment in each subsidiary is offset (eliminated) against the parent's portion of equity in each subsidiary.
- (vii) The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as on the date of disposal is recognized in the Consolidated statement of profit & loss being the profit or loss on disposal of investment in subsidiary.
- (viii) Investment in Associates and Joint Ventures has been accounted under the Equity Method as per Ind AS 28 – Investments in Associates and Joint Ventures.

(ix) The Group accounts for its share of post-acquisition changes in net assets of associates and joint ventures, after eliminating unrealized profits and losses resulting from transactions between the Group and its associates and joint ventures.

(x) Non-Controlling Interest's share of profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to shareholders of the Company.

(xi) Non-Controlling Interest's share of net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet.

Changes in a parent's ownership interest after control is obtained that do not result in a change in control of the subsidiary are accounted for as equity transactions. The carrying amount of the non-controlling interest is adjusted to reflect the change in the non-controlling interest's ownership interest in the subsidiary. Any difference between the amount by which the non-controlling interest is adjusted and the fair value of the consideration paid or received is recognized in equity and attributed to the parent's equity holders.

(d) Use of Estimates

The preparation of the consolidated financial statements requires the management of the company to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of these financial statements, disclosure of contingent liabilities as at the date of the financial statements, and the reported amounts of income and expenses during the reported period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised.

(e) Critical accounting estimates:

(i) Income Taxes:

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

(ii) Impairment of Investments:

The carrying value of investments is reviewed at cost annually, or more frequently whenever, there is indication for impairment. If the recoverable amount is less than the carrying amount, the impairment loss is accounted for.

(iii) Provisions:

Provisions are recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date adjusted to reflect the current best estimates.

(f) Property plant and equipment

Properties, Plant & equipment are stated at actual cost less accumulated depreciation and net of impairment. The actual cost capitalized includes material cost, freight, installation cost, duties and taxes, eligible borrowing costs and other incidental expenses incurred during the construction/installation stage.

The Company has chosen the cost model for recognition and this model is applied to all class of assets. After recognition as an asset, an item of PPE is carried at its cost less any accumulated depreciation and any accumulated impairment losses.

Depreciable amount of an asset is the cost of an asset less its estimated residual value.

Depreciation on Property, Plant and Equipment, including assets taken on lease, other than freehold land is charged based on Written down method on an estimated useful life as prescribed in Schedule II to the Companies Act, 2013. The useful life of asset taken into consideration as per Schedule II for the purpose of calculating depreciation is as follows: -

Particulars of property plant and equipment	Useful life (in years)
Furniture and fixture	10
Vehicles	8
Office equipment	5
Computer	3

An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment are determined as a difference between the sale proceeds and the carrying amount of the asset and is recognized in the profit and loss.

At the end of each reporting period, the Company reviews the carrying amounts of tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss.

(g) Intangible assets and amortisation therefore:

Intangible assets, representing software are initially recognised at cost and subsequently carried at cost less accumulated amortisation and accumulated impairment. The intangible assets are amortised using the written- down value method over a period of five years, which is the Management’s estimate of its useful life. The useful lives of intangible assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

(h) Revenue recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company & revenue is reliably measured.

(i) Interest Income: The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost. EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

(ii) Dividend: Dividend income from investments is recognised when the shareholders’ right to receive payment has been established which is generally when the shareholders approve the dividend.

(iii) Other revenue from operations: The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 ‘Financial Instruments’ is applicable) based on a comprehensive assessment model as set out in Ind AS 115 ‘Revenue from contracts with customers’. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

(i) Financial Instruments:

(i) Financial Assets

Recognition and initial measurement: -

Financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument and are measured initially at fair value adjusted for transaction cost. Processing fees earned on disbursement

of loan assets have been recognized in revenue over the tenure of loan in proportion to the closing principal outstanding at the end of each year.

Subsequent measurement: -

Equity instrument and Mutual Fund: - All equity Instrument and mutual funds within scope of Ind-AS 109 are measured at fair value. Equity instrument and Mutual fund which are held for trading are classified as at fair value through profit & loss (FVTPL). For all other equity instruments, the Company decided to classify them as at fair value through other comprehensive income (FVTOCI).

Debt instrument: - A 'debt instrument' is measured at the amortised cost if both the following conditions are met. The assets are held within a business model whose objective is to hold assets for collecting contractual cash flows, and contractual terms of the assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

De- Recognition of financial Assets: -

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or Company has transferred its right to receive cash flow from the asset.

(ii) Financial Liabilities:

Recognition and initial measurement: -

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. Financial liabilities are classified at amortised cost. Processing fees paid on borrowed loans have been amortised over the tenure of loan in proportion to the closing principal outstanding at the end of each year.

Subsequent measurement: -

Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest rate method.

De-recognition of financial liabilities

Financial liabilities are derecognized when the obligation under the liabilities are discharged or cancelled or expires. Consequently, write back of unsettled credit balances is done on closure of the concerned project or earlier based on the previous experience of Management and actual facts of each case and recognized in other Operating Revenues.

Further when an existing Financial liability is replaced by another from the same lender on substantially different terms, or the terms of existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. **The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.**

(iii) Off setting of financial instrument: -

(iv)

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on net basis, to realize the assets and settle the liabilities simultaneously.

(iv) Impairment of Financial Assets: -

Equity instruments, Debt Instruments and Mutual Fund: -In accordance with Ind-AS 109, the Company applies Expected Credit Loss model for measurement and recognition of impairment loss for financial assets. Expected Credit Loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive.

Other Financial Assets: - The Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

(v) Expected Credit Loss (ECL): -

Financial assets where no significant increase in credit risk has been observed are considered to be in 'Stage 1' and for which a 12-month ECL is recognised. Financial assets that are considered to have significant increase in credit risk are considered to be in 'Stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'Stage 3'. Lifetime ECL is recognised for the financial assets categorised under 'Stage 2' and 'Stage 3'.

At initial recognition, allowance (or provision in the case of loan commitments) is required for ECL towards default events that are possible in the next 12 months, or less, where the remaining life is less than 12 months. In the event of a significant increase in credit risk, allowance (or provision) is required for ECL towards all possible default events over the expected life of the financial instrument ('Lifetime ECL'). Financial assets (and the related impairment loss allowances) are written off in full, when there is no realistic prospect of recovery.

(j) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise of cash at bank and on hand and short- term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts if they are considered an integral part of the Company's cash management.

(k) Taxations

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid/recovered from the tax authorities, based on estimated tax liability computed after taking credit for allowances and exemption in accordance with Income Tax Act, 1961.

Current and deferred tax are recognised in profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the income taxes are recognised in other comprehensive income or directly in equity, respectively.

Advance taxes and provisions for current income taxes are presented in the statement of financial position after off-setting advance tax paid and income tax provision.

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amounts.

Deferred income tax is recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of deferred income tax assets is reviewed at each reporting date. Deferred tax asset/liability is measured at the tax rates that are expected to be applied to the period when the asset is realized or the liability is settled.

Deferred tax assets include Minimum Alternative Tax (MAT) paid which is considered as an asset if there is probable evidence that the Company will pay normal income tax after the tax holiday period.

(l) Employee benefits

(i) Short-term employee benefits: -

Liabilities for short-term employee benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employee's services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

(m) Earning Per Share

Basic earnings/ (loss) per share are calculated by dividing the net profit/ (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the **period and also after** the Balance Sheet date but before the date the financial statements are approved by the Board of Directors.

For the purpose of calculating diluted earnings/ (loss) per share, the net profit/ (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

(n) Provision, Contingent Liabilities and Contingent Assets

A provision is recognised when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance costs. Contingent Assets and Contingent Liabilities are not recognized in the Ind AS financial statements.

Company's policy is to carry adequate amounts towards Provision for Standard Assets, Non-Performing Assets (NPAs) and other contingencies. All loans and other credit exposures where the installments are overdue for ninety days and more are classified as NPAs in accordance with the prudential norms prescribed by the National Housing Bank (NHB). The provisioning policy of Company covers the minimum provisioning required as per the NHB guidelines.

Provisions are established on a collective basis against loan assets classified as "Standard" to absorb credit losses on the aggregate exposures in each of the loan portfolios based on the NHB Directions. A higher non-performing asset provision may be made based upon an analysis of past performance, level of allowance already in place and Management's judgment. This estimate includes consideration of economic and business conditions. The amount of the allowance for credit losses is the amount that is required to establish a balance in the Provision for Non-Performing Assets Account that management consider adequate, after consideration of the prescribed minimum requirement under the NHB Directions, to absorb credit related losses in its portfolio of loan items after individual allowances or write offs.

(o) Leases:

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases which replaces the existing lease standard, Ind AS 17 Leases and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees.

The Company has adopted Ind AS 116, effective annual reporting period beginning April 1, 2019 and applied the standard to its leases using the modified retrospective approach whereby a lessee applies the new standard from the beginning of the current period. The lessee calculates the lease asset and lease liability as at the beginning of the current period and recognized an adjustment in equity at the beginning of the current period. Accordingly, a lessee will not restate its prior period financial information under this approach.

The Company has elected not to apply the requirements of Ind AS 116 Leases to short term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognised as an expense on a straight-line basis over the lease term.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease liability is subsequently re-measured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and re-measuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments.

On application of Ind AS 116, the nature of expenses has changed from lease rent in previous periods to depreciation cost for the right-of-use asset, and finance cost for interest accrued on lease liability.
